WERE OVER THE HILLS

Praise the Lord He has put us over the danger line. I'm talking about the split we had when we arrived from a 3 month deputation trip. Most of our folks that left have returned for the exception of three families. But were back to having souls saved, baptized and disciple, and the sweet spirit of God which we had before we left has also returned, praise His Name.

USA CHANGE IS EFFECTING MEXICO

It is sad to see the **changes** we are experiencing in Mexico and in the Mexican Government since Obama got in office. Historically, Mexico has been nations that has defined life as beginning at conception and have made abortion illegal until now. "Amnesty International is outrage and violating the sensibilities of the Mexican heritage. The American government threatened Mexico by forcing doctors to perform abortion; or shut the border for illegal's crossing to the USA. The Chicago mafia in the white house is telling 3ed world countries: "I'll scratch your back if you scratch ours". Mexico gave in to the Chicago mafia in Washington, and is now aborting babies.

CELEBRATING THANKS GIVING

Two years ago we started to teach our Mexican folks what Thanks giving is all about? Sunday we expect a full house with a special speaker as we celebrate the special day of Thanking God for His goodness. Our folks are ready to give testimony.

WANDA'S TWO BITS

I thank God for the dear ladies God gave us, especially five that have been and are memorizing over 100 scriptures with me.

BELIEVE IT

I barely got my Yukon back two weeks ago, but... it's still not right. They installed old doors and wind and water come through the doors. Really pray for me because my patient's are about to expire. I need to take it back next Thursday over 125 miles from where we live. .

PRAY FOR

Christmas gifts. Every year different churches have supplied gifts for around 300 Mexican children, Pray this year we can do the same. If your planning to send us gifts, please do so as soon as possible. Send to: John Casias, 3201 S. Jackson Rd. Pharr TX 78577.

Thank you for your love, prayers and support. We love you and were praying for you
